Applications may be made by the landowner, a person with a property interest in the property or a contract to purchase the property, or an authorized agent of the landowner. The applicant has certified that the information shown on the application, plans and specifications is correct and true to their knowledge.

Staff may refuse to process an application determined to be incomplete unless and until the applicant has submitted any missing information/materials.

Approval of this permit application certifies compliance with Town of Emerald Isle requirements only and does not exempt the application from other local, state, or federal requirements.
